Weight:	4.5Kg
Power Supply	100-240v AC50/60Hz
Environmental operating limits	
Humidity	10% to 95%
Temperature	10° to 35°(°C)

The AS75 is a compact, automatic letter opener, ideally suited to an office environment with its quiet and efficient operation.

The AS75 utilises slitting technology, which makes an incision across the top of each envelope. There is no waste produced, removing the risk of paper jams from any envelope offcuts

The AS75 handles a wide range of envelope types, up to and including B4 Size, 250mm x 353mm and will accept envelopes with a thickness of up to 4mm.

The AS75 operates at speeds of up to 300 letters per minute. Opened mail is presented in a practical receiving tray ready for onward distribution.
