Ashcroft
FRANKING SOLUTIONS

Rethink the way you mail and ship.

Introducing a new generation of sending solutions from Ashcroft Mailing Solutions.

SendPro C

Track Speed   **Save on Postage**   **Multiple Users**   **Save Time**

Improve efficiency and speed.

The SendPro C is the simplest, all in one technology for office mailing. Our complete mail solution makes it easy to process mail, all from one place.

You can easily choose the right class or service to get your items delivered – all at the best price for your needs.

- Save time with faster mail run processing
- Automatically save 33% on postage versus Royal Mail stamps by printing directly from the device
- Track spend in real time through the machines online touch screen
- Gain flexibility by enabling multiple departments to mail

Key benefits of SendPro C

Easy to use

- Easy-to-use, Android-based 7" colour touchscreen display
- Tablet display shows support options such as notifications, diagnostics and support articles and how-to videos to support new users.
- Simple self-install: You can set it up yourself. Alternatively, if you need help, reach out to our Professional Services. They're here to help you get up and running.
- Process mail and shipments via intuitive support guides and easy-to-follow menus.
- Complete each job quickly and accurately.
- Print and seal letters at up to 50 items per minute.

Ideal for any office

- Small size and footprint enables SendPro c to fit into any office environment
- Quiet performance

Get-and stay-in control

- Save more with increased visibility into overspending by easily accessing the right sending options for your needs.
- Automatic updates and service notifications

Simplify and save

- Designed to minimise extraneous office equipment and supply costs.
- Eliminate trips to the Post Office.

Reliability meets simplicity

- Rely on SendPro C when running batches and during peak periods.
- Integrate SendPro C seamlessly into your existing operation. It's designed to make the mailing process easier for users of any level.
